## SOUNDINGS

### *"Compass Points"*

*By Commodore Chris Nevison*

*While this has been a great Boating Season, this past month has been exceptionally good for the Club. The harbors were full for Labor Day Weekend and event participation was the best ever. Over 160 Members attended the Island Breakfast. More than 200 were served at the Labor Day Dinner.*

*The Rubber Ducky Races were a sellout and the Island Store had a banner weekend, as well. We also hosted a stop for the Ted Lindsey Foundation Poker Run and set it up with as a mixer with our Membership with refreshments at the Gazebos. It was a tremendous success toward promoting Club Island. The feedback about our facility and the Membership was all positive. I want to thank P/C Ron James, John Caradonna, Rich Rozewicz and Mary Kay Sogge for their help with this event. It resulted in a New paid application on the spot and another on the way!*

*I'd like to thank the Nominating Committee consisting of P/C Fred Bane, Director Rob Sogge, Director Don Kersey, Andy MacLachlan and Jerry Reblin for assembling the slate for this year's Board of Directors Election. The nominees are: Phil Grigal, John Kehrig, Scott Gutschow, Rich Rozewicz and Bill Whitley, Jr. Ballots will be mailed to Voting Members in the Annual Meeting Packet.*

*Donations continue to be the catalyst for funding new amenities at Club Island. I want to thank the Membership for their generosity. Since Labor Day weekend over \$3,000.00 (with more pledged) has been contributed, which funded the purchase of two propane fire pits that now serve as a focal point under each gazebo. In addition, two resin Adirondack chairs were purchased for the membership to evaluate. They are an example of yet another feature under consideration to make the deck and gazebos more inviting and usable. Your feedback would be appreciated.*
